## Our Story

In 1994, an Arab family decided to do something wonderful and unique in the world of food adding a take on traditional spices and flavours in the cooking of their whole chickens and shawerma. They opened an authentic char-grilled chicken restaurant in the Emirate of Sharjah, United Arab Emirates after so much talk about this great taste. The very first Al Farooj restaurant had three dishes on its menu (Farooj, Chicken Tikka, and Lebanese Shawerma), the quality and freshness was remarkable and the business was a success from day one. We bring these great tastes to you today in all shapes and sizes so you can enjoy it your way.

Al Farooj is proud of its deep roots in the Middle East and our commitment to quality and great taste is in every bite.
