**Mr. Zeiad Tuaimeh**  
**Chili Founder in Jordan**  
**Since 1982**  
**Serving You with Love**

Mr. Zeiad F. Tuaimeh was recognized as a pioneer in the Tourism industry on the 28th of September 2004 as the first to start the fast food industry in Jordan 1982.

In early 1970s, Mr. Zeiad F. Tuaimeh gained extensive experience & knowledge of the fast food industry in the United States. He returned to his homeland in Jordan and opened his first restaurant in 1985 between the 7th and 8th Circles Amman in Jordan with a dream of establishing a restaurant operation which would exceed the high standards of quality services.

Mr. Tuaimeh has quoted saying "Chili is a style that caught on in Jordan and it is a style that is unique to the region."

Chili which is made as a sauce in a soup, has a lot of different kinds of spices, carefully measured to give the original taste of (Chili) and every one makes it different by using the basic spices a little more or a little less of that "As Mr. Tuaimeh says, "Chili is a traditional way of serving chili over spaghetti with"

Diners choose from our unique ways of mixing chili with other items explained in the main menu. In addition to our speciality (Chili) we add in our menu a variety of sandwiches and items that proved to be best sandwiches in town, to meet the demands of all customers of all ages.

"Our main objective is to follow the same path of our fathers success in the last 24 years of maintaining the same quality, service consistency and standardization at a competitive price.

May God help us to carry on this responsibility and keep on giving " Says Mr. Tuaimeh Z. Tuaimeh the General Manager "

Chili Ways has become today one of the leading fast food restaurants in Jordan. It is known by its high quality & service. We have several locations in Jordan, & working on expanding locally & internationally.
